# OPEN WATER

*The complete Certification Program consists of:*

**PART ONE: \$299.00 (class and pool)**

**PART TWO: \$349.00 (4 openwater dives)**

## The Complete Course

**PART ONE (classroom and pool):** The Openwater Class starts once a month at CCD. The Classroom portion is typically scheduled on a weekend Sat or Sun once per month. Check our website for upcoming dates. Class is approximately 12 pm to 4 pm, followed by a pool session from approximately 5:30 pm to 8:30 pm. Due to the compact time frame of this course, students are required to read their dive manual and complete the knowledge review questions prior to the start of the course. (manual is not included in the above price). Online learning is available at an additional cost. Need more pool time? It is available at no additional cost, (some exceptions may apply).

Students are required to provide their own personal equipment (mask, fins, snorkel, weight belt, boots and mouth-piece). Discounted and personalized fitting of these packages are available at CCD. Costco and Walmart style equipment is not suitable for the program. Call us to schedule your appointment.

Why shop with us? Support small local businesses and best of all we guarantee the fit of all equipment or we make it right!

**PART TWO (4 open water dives):** The open water weekends are scheduled once per month June thru October. Locations vary from local quarries, Tobermory and Gilboa Ohio. The program includes 4 mandatory dives plus 1 bonus dive that counts as credit towards the Advanced program, log book, air fills, and certification fees. Price does not include rental equipment (\$125), transportation, accommodation (only required at certain locations due to distance) and entrance fees.
