RESCUE

Rescue training expands your knowledge of diving, increases your level of diving skills, and elevates your awareness of the diving environment. The Rescue Diver certification is also an important prerequisite for the distinguished PADI Divemaster rating.

More Importantly, Rescue training can help save lives, increasing diving safety by preparing you to properly respond to emergencies and near-emergencies.

PART ONE: Classroom Session

PART TWO: Rescue Scenario Days

The Course

PART ONE (classroom): The Rescue Course involves classroom session on the Friday night from 6:00pm to 9:00pm

PART TWO (rescue scenarios): These sessions are held at Innerkip (Woodstock) on the Saturday and Sunday from 10:00am to 2:00pm both days are required. Equipment rental is included.

The cost of the Rescue Course is only:

\$369.00

To qualify for participation in this course, you must be certified as an Advanced / Adventure Diver. Prior to attaining the PADI Rescue rating a recognized First Aid Course must have been successfully completed within the last two years. We provide in house training for CPR and First Aid included in this cost.
